

## LOW LOSS HEADER – Z1

Hydraulic switcher/separator with air bleed, ball valve  
 Insulation case and bracket

### Product Number : HF1130 / HF1131 / HF1132

The hydraulic separator allows you to work the primary circuit and secondary circuit independently. It also has the function of waste sludge.

Product number	HF1130	HF1131	HF1132
Connection	1" M	1¼" M	1½" M
Centre A [mm]	140	180	180
Centre B [mm]	210	265	265
Length C [mm]	300	415	415
Diameter D [mm]	80	86	97
Diameter E [mm]	115	133	140
Total Clearance [mm]	530	650	650
Volume [L]	1.5	2.4	3
Max. flow [m <sup>3</sup> /h]			
Max. operating pressure	10 [bar]		
Temperature Range	0-100 °C		
Material	Stainless steel
